Meats Roasted, Pies, Cake and Bread Baked Perfectly in an Ideal Fireless Cooker

> This week the women of this city will have an unusual opportunity of finding out what the remarkably efficient IDEAL FLRELESS COOKSTOVE can do in actual service. They will see it bake and brown more beautifully than their ranges do and with only a fraction of the fuel their ranges require. An EX-PERT DEMONSTRATOR from the Toledo Cooker Company will be here to reveal to them the undreamed of pos-

We want you to be among the women who will see and taste the delicious cooking results of the "IDEAL." We want you, particularly if you are not convinced of the convenience it will be to you; if you do not realize the time it will give you out of the kitchen, the economy in fuel and the added deliciousness of

The lectures of the demonstrator will convince you; will show you why the famous "WATER SEAL TOP"-an exclusive feature—the heat conserving steam valve, the special insulation and extra strong, durable, pure aluminum lining of these cookstoves makes it possible for you to do cooking that no other cooker can do. Don't fail to come and ask all the questions you wish.
